CAPE CORAL ELKS LODGE #2596

HEARTBEAT

NEWS & VIEWS

Exalted Ruler's Message

Greetings All,

We are approaching a new calendar year. Our Lodge year has three months left. It is common to make resolutions for a new calendar year. Perhaps we can all make a resolution for the New Year that will benefit the Lodge. Come in and patronize the Lodge. Your Support is essential.

Ultimately the Lodge plays a role in supporting the two major projects of our state organization, the Camp and Children's Therapy Services. Go on Florida Elks to get more info on these worthy charities. We also support Army of Hope, which helps active duty service members on deployment. How patriotic is that? Add in helping out Veterans and contributing to local charities such as the Community Caring Center and our Lodge is a big contributor to our community and our country. Even if you are only coming in a couple of nights a week, you are contributing to our charitable enterprises, which are significant.

Do more by using a quarters tube to contribute to Harry Ana or ENF. Harry Ana helps kids. ENF returns more in grants than we contribute. Great deal!

Or become a sustaining donor to ENF or Florida State Elks Association. A small monthly donation goes a LONG way. Check in on Elks.org or Florida Elks Association to sign up. And to get more information on our organization!

Sunday, February 9th, the Lodge is planning a **Super Bowl Party!** So far, we are planning \$3 Bloody Mary's and specials on Pizzas, which are already a great deal. Come to the January 13th General Meeting if you want to suggest more specials. Besides, we would like to see more members at meetings.

Harry-Anna Investment Fund, Inc.

Together We Can Do Great Things

Of everything that the Florida Elks do, perhaps nothing is more important than our work with the state's youth. Sowing the seeds of accomplishment and commitment through our **Florida Elks Children's Therapy Services** and **Florida Elks Youth Camp** programs, children are given the opportunity to grow and learn beyond their dreams.

The trust fund started in 1951, was named after Harry and Anna Miller who donated land and a building to establish the original Florida Elks Hospital for Crippled Children. Its purpose was, and continues to be, the collection of donations and the acceptance of endowed gifts.

The trust fund is restricted, which means that only the income derived from it may be used to support our major projects: the Florida Elks Children's Therapy Services and Florida Elks Youth Camp programs.

- Become a sustaining (monthly) donor using your credit card. Your monthly donation is automatically deducted on the same day of each month. Easily increase or decrease your donation, and cancel at any time. Give in memory or honor of someone special below!
